

Ensembl'Arenski

In November 2012, Aurore, Claire and Stephanie were programmed by Euterpe to play Arensky's first piano trio in Courtrai. The public was thrilled by their enthusiastic and passionate performance. The three women felt that the chemistry of their combination was to be cherished and they consequently decided to continue together as a permanent chamber ensemble. They named their trio after the concert piece of their first success. The Arensky Trio was born!

Given the fact that this name already existed, they changed their name into Ensembl'Arenski.

Now, the group plays a huge variety of piano trios going from Mozart, Haydn, Beethoven and Schubert over Mendelssohn, Brahms, Rachmaninov and Arensky to Ravel, Debussy, Shostakovich and Piazzolla.
